

## **Tuberculosis (TB) Risk Screening Requirement:**

Please ensure you complete each step.

1. Log into [Health-e-Messaging](#) using your Kerberos ID and password.
2. Enter your student ID number.
3. From the left side of the screen choose Forms.
4. Select TB Risk Screening

The questionnaire consists of a few simple questions to help us assess your risk of TB. There is nothing to prepare in advance. Please answer all of the questions

5. Submit your responses

Students who show risk factors will be sent a follow-up secure message through the Health-e-Messaging system with further instructions. These instructions must be followed and any additional requirements provided to us before you will be able to register for classes.

If you have any questions see below for our frequently asked questions

### **Frequently asked Questions: Tuberculosis Requirement**

#### **Q. When must I submit my online Immunization Record/TB screening?**

A: You must enter your vaccine immunization information and complete the Tuberculosis Risk Screening process prior to registering for classes. There will be a hold on your registration until you have completed ALL steps of this process.

#### **Q: What does the Tuberculosis (TB) clearance process look like?**

A: The 1<sup>st</sup> step in this requirement is to complete a Tuberculosis screening Questionnaire via the [Health-e-Messaging website](#)

If your TB Risk Screening shows you to have no risks factors for TB, you should expect to receive a Health-e-Message (HeM) within 24hrs confirming you are compliant with this requirement.

If your TB Risk Screening shows you to be at higher risk, you will need to have further testing completed. Download the [TB Health Assessment form](#) and take it to your Primary Care Provider. Once any additional testing is complete and your doctor has determined you are free of active TB, your doctor must complete and sign the TB Health Assessment form. The completed signed form must be uploaded via Health-e-Messaging in order to register for classes.

- A. Carefully read and follow the instructions attached to the TB assessment form. Incomplete forms will not be accepted and you will NOT be cleared to register for classes.**
- B. Confirmation of receipt of your document is not possible.
- C. Once you have uploaded the TB Health Assessment form and any required documentation, our staff will review your records and notify you by the [Health-e-Messaging website](#) of your compliance status. Please allow 7-10 business days for processing.

**Q: I was asked to complete a Tuberculosis Health Assessment Form but have lost the form?**

A: You can click the link [TB Health Assessment Form](#) or go to [New Student Resource page](#).
